

Integrated Solar Inverter and Battery

# Q.HOME CORE

A total energy solution with 15 years warranty from quality Qcells

Modular & Scalable **Battery**

## Q.SAVE

6.86 kWh Modular Battery  
Scalable up to max 3  
units.

**SAMSUNG SDI**

Battery

Sleek & Durable

Metallic Silver Cover

High-performance **Inverter**

## Q.VOLT

5.0 kW Hybrid  
or AC-Coupled Inverter

Enhanced Warranty

15 years

Warrant

y

Web Enabled

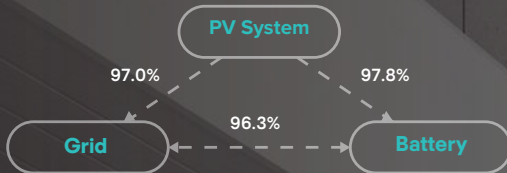

Wi-Fi/LAN

# Q.HOME CORE

## High Conversion Efficiency

## Easy and Fast Installation

Wall-mounted or floor-mounting brackets available for convenience and easy installation.

## Maximum Energy Generation

Q.OMMAND maximises energy yields by incorporating real-time weather information.

## Emergency Backup from Blackout

Automatic transfer to battery power in blackout conditions. (ATS\* Embedded)

## Extended 15 years Warranty

Enhanced product and performance warranty backed with high quality control.

## Scalable Battery

Three scalable batteries up to 20.5kWh depending on your energy needs.

## Assembled in South Korea

Assembled in Korea for enhanced quality.

## Samsung SDI

Samsung SDI battery cells ensure maximum safety and reliability.

### \* ATS (Automatic Transfer Switch)

A device that automatically transfers a power supply from energy grid to energy storage solutions in case of grid failure.
